Sub: Clarification on the MBA (Tourism and Travel Management) and BBA (Tourism and Travel) programmes run under collaborative scheme at IITTM centres- Reg;

Dear Sir,

Consequent upon the queries of the students and their parents received by IITTM about the MBA (Tourism and Travel Management) and BBA (Tourism and Travel) programmes run under collaboration at IITTM centres I am directed by the Competent Authority to give the following clarifications:

1. Indira Gandhi National Tribal University is a national University established by the Act of Parliament in 2007 with a national jurisdiction.
2. The University is vested with the powers "to recognize an institution of higher learning for such purposes as the University may determine and to withdraw such recognition" (Section 5 of the Act) and the same Section empowers the University "to cooperate or collaborate or associate with any other University or authority or Institution of higher learning in such manner and for such purposes as the University may determine."
3. The Section 6 of the Act of IGNTU states that "the jurisdiction of the University shall extend to the whole of India" It is in this context and background that IGNTU and IITTM have signed MOU which was duly approved by the Apex bodies of the University and IITTM and IGNTU University are fully committed to protecting the interest of the students and their parents.
4. The University is an autonomous body with its own Act, statutes, Ordinances and Guidelines duly approved by its apex bodies and Competent Authority and it can recognize the educational institutes of national repute to run educational programmes under collaboration.
5. The nomenclature of the programme was MBA in Tourism and the same was renamed as MBA (Tourism and Travel Management) and BBA (Tourism and Travel) as per the UGC circular on the nomenclature of educational programmes in the country.
